H. C. Toulin, Esq.,

Superintendent, Toronto Western Hospital,

Toronto.

Dear Mr. Toulin:

I shall be glad to lay before the Board of Governors the names of the gentlemen whom you wish appointed to the staff of the Toronto Western Hospital, and I have no doubt that they will be approved at its meeting which will be on the 13th.

Yours sincerely,

President.

Toronto Western Hospital [H.C. Toulin, Superintendent]

H. C. Toulin, Esq.,

Toronto Western Hospital.

Dear Mr. Toulin:

I have referred your letter with regard to the appointment of Dr. McKichan to the Department of Anaesthetics in the Toronto Western Hospital to Dean Clarke, and will again bring it up at the meeting of the Board of Governors on Thursday of next week. I do not see how the Board of Governors can object to Dr. McKichan being appointed to a position as Anaesthetist in the Toronto Western Hospital. However, he should understand that this will not carry with it an appointment from the University to teach Anaesthetics in the Western Hospital. Our teaching of Anaesthetics is confined to the Toronto General Hospital and there is no likelihood of its being extended to any other Hospital. Therefore Dr. McKichan would have to give up his teaching position in the University when he is transferred from the General Hospital to the Western Hospital, but that may be the wise and right thing for him to do, and as I said I do not think that the Governors could have any reason for objecting to it.

Yours sincerely,

President.
